Dear Parents & Guardians,

Re: Revised after-school pick-up times for Sri KL

Firstly, may I take this opportunity to wish you all a very Happy New Year for 2018 and a warm welcome back to Sri KL.

In attempting to ease the traffic build-up outside the school, particularly during pick-up time in the afternoon, the School has revised the 2018 pick-up times for Primary and Secondary School. Kindly refer to the schedules below.

PRIMARY SCHOOL

Daily Pick-up Time 3.30 PM to 4.00 PM

- Parents with children **exclusively in Primary School** are requested to arrive outside school **NO EARLIER THAN 3.20 PM**.
- Please note, if you do arrive earlier and plan to wait you may be asked to move on by the PDRM Traffic Police stationed outside or by the School's traffic marshals and this will cause you considerable inconvenience. Therefore, kindly time your arrival to match the time allotted above. *Drivers, chauffeurs, etc., please take note!*

SECONDARY SCHOOL

Daily Pick-up Time 4.00 PM onwards

- Parents with children in **Secondary School OR both schools** are requested to arrive outside school **NO EARLIER THAN 4.00 PM**.
- Please note, if you do arrive earlier and plan to wait you may be asked to move on by the PDRM Traffic Police stationed outside or by the School's traffic marshals and this will cause you considerable inconvenience. Therefore, kindly time your arrival to match the time allotted above. *Drivers, chauffeurs, etc., please take note!*
- Additionally, dear parents, you are requested to accustom your children to waiting on Persiaran Kewajipan after the bus stop and not directly in front of the school unless rainy weather does not permit.

Please see overleaf.....

We are currently taking steps to build a new covered walkway along Persiaran Kewajipan and also to upgrade the road and traffic flow in front of Sri KL. This will take some time to complete but, in the mean time, these new arrangements will help to ease traffic congestion not just for Sri KL parents but also for the wider community using the roads around Subang Jaya. As such, your co-operation and your understanding in this matter are greatly appreciated.

Thank you, and I look forward to seeing you back at Sri KL.
