APPLICATION FOR DISCOUNT ON TUITION FEES FOR 3rd CHILD AND ABOVE

I, _____, I/C No. _____, as the parent/guardian of the children listed below; do hereby apply for the discount on Tuition Fees available to children of the same family with three or more children currently enrolled at Sri Kuala Lumpur for the academic year beginning _____.

I fully understand and agree that the amount of discount shall be 10% for the third child and 15% for subsequent children and that discount will at all times be calculated on the Tuition Fees due for the youngest child currently enrolled followed by the next youngest and so on as required. Therefore, discount may not necessarily be calculated on the fees of the last child to enrol if that child has a younger sibling already enrolled.

I fully understand and agree that it is the duty of parents/guardians to apply for and renew the application for discount each academic year in order for children to be able to receive discount and that discount cannot be claimed for previous years if no application has been received in the year in question.

I also understand that the term *family* for the purpose of applying for discount shall mean children born to or legally adopted by the same father or mother and that the term *Tuition Fees* shall exclude deposits, registration fees, entrance examination fees and all other payments not specifically included under Tuition Fees.
