

BENEFITS

The in-app GPS allows both your child and yourself to find each other easily.

Through designated pickup zones and times, traffic is dispersed quicker and everyone gets home safely.

Through staggered pickup times, traffic is reduced, resulting in a more harmonious relationship with local residents and other road users.

DEMERIT POINTS SYSTEM

WHY DEMERIT POINTS?

By creating a system that incentivises parents and students to abide by school traffic rules, Sri KL is continuing our mission of developing students with healthy habits of mind.

HOW DO POINTS WORK?

Offences will be given demerit points. Three demerit points in one month will mean disciplinary action!

WHAT HAPPENS NEXT?

Any vehicle receiving three or more Demerit Points in a month will be suspended from entry into the school.

HOW DO I REDEEM MYSELF?

Demerit Points are reset monthly to ensure that only serial traffic offenders are penalised.
