Dear Parents & Guardians,

REVISED SCHEDULE FOR RETURN TO SCHOOL IN JANUARY 2022

The Ministry of Education (MoE) has just announced that the guidelines governing the return of students to school in 2022 have been updated. Under the revised system, certain year groups are now exempted from the "rotation" system previously in place.

Therefore, please be informed that Sri KL's previous schedule for the return of students has also been amended. For your convenience we have set out the following two schedules for Primary and Secondary School respectively.

PRIMARY SCHOOL SCHEDULE Points to Note

- The schedule covers the first 3 months of 2022 in line with MoE requirements regarding the need for "rotation" amongst students.
- The schedule has further been divided into 11 "school weeks" and students who are required to "rotate" will do so on a weekly basis.
- As you can see, Years 1, 2 & 6 are now exempted from "rotation" and may attend physical classes every week during this period. Therefore, only Years 3, 4 & 5 are required to rotate as per MoE requirements.
- **For Year 1 students, school begins on Monday 10th January** with physical attendance at Sri KL giving them 2 whole days to settle into their classrooms, get to know the campus and practise being dropped off and picked up before anyone else returns to school.
- **For Year 2, 3 & 6 students, physical attendance at school begins on Wednesday 12th January.**
- **Meanwhile, Year 4 & 5 students will begin school on-line on Wednesday 12th January and remain at home for WEEK 1.**
- Year 4 & 5 students will then physically attend school for the first time on Monday 17th January in WEEK 2.
- Year 3 students will stay home in WEEK 2 for online classes.
- The cycle for the rotation of Years 3,4 & 5 will then begin again in WEEK 3 and continue alternating until the end of WEEK 11 as indicated.

GENERAL NOTE TO ALL PARENTS & GUARDIANS

Dear parents,

- Please study the two schedules above carefully so that your children come to school on the weeks that they are supposed to. The requirement for "rotation" has been set by MoE and the School is not able to appeal against it. Therefore, the schedules above are our best attempt at meeting this requirement with the minimum amount of disruption and complications for parents and students.
- We strongly recommend that all parents allow their children to attend physical school unless they or their children have an increased risk of serious illness from Covid-19 infection due to an existing medical condition.
- Any parents who have elected to keep their children at home during this period are reminded to first seek permission from the Principal. Students without written permission to remain at home will be marked as absent.
- Please also note that online classes for students remaining at home outside of their scheduled on-line lessons will be made on a best effort basis only as staff resources permit.
- **By the end of this week all parents will receive a detailed circular regarding pick-up and drop-off times and other traffic related issues. Please remain alert for this important information.**

NOTE TO PARENTS WHO HAVE YET TO SETTLE SCHOOL FEES

Dear Parents,

- If you have not settled school fees for First Semester 2022 or approached us to discuss alternative modes of payment, kindly contact the Admin Office as soon as possible.
- **If we do not hear from you by Friday, 7th January we will assume that you no longer wish your child to attend Sri KL and they will not be allocated a class. This means they will not be able to attend physical or online lessons.**
- If you have still not contacted the School regarding unpaid fees after two weeks from the start of the academic year, we will have no option but to terminate your child's studies at Sri KL as per the Rules and Regulations of Enrollment. Therefore, we strongly urge you to contact us as soon as possible to avoid such a situation. Thank you for your kind cooperation.

Finally, may we take this opportunity to wish all our parents and students a Happy New Year and all the very best for 2022. We sincerely hope it will be a better year for everyone.

Thank you and stay safe.
